## **17. Article 35 Sick Leave**

Delete and Incorporate the following language into Article 35.

1. The paid sick leave accrual provisions set forth in this Agreement supersede the accrual provisions of any and all prior policies or applicable collective bargaining agreements.
2. King Soopers employees covered by this Agreement will accrue one (1) hour of paid sick leave for every thirty (30) hours worked starting from their first day of employment or January 1, 2021, whichever is later, up to forty-eight (48) hours of paid sick leave per year.
3. **Carryover of sick leave from year to year:**
  - a. **Employees shall be entitled to carry over sick leave from year to year, but shall be subject to a maximum accumulation of:**
    - i. **Employees in the Clerks units hired on or before March 27, 2005 shall not be entitled to accumulate more than six hundred (600) hours of sick leave.**
    - ii. **Employees in the Meat units hired on or before March 27, 2005 shall not be entitled to accumulate more than six hundred (600) hours of paid sick leave.**
    - iii. **All employees hired after March 27, 2005 shall not be entitled to accumulate more than two hundred and forty (240) hours of paid sick leave.**
  - b. **After an employee has used forty-eight (48) or more hours of paid sick leave in a given benefit year, any further use of accrued paid sick leave during that benefit year for a subsequent sickness or injury shall be subject to the following waiting period:**
    - i. **on the third (3rd) full workday absence for employee's sickness or non-occupational injury;**
    - ii. **on the second (2nd) workday's absence if the employee is hospitalized, undergoes outpatient surgery, or has accumulated in excess of ninety-six (96) hours but less than one hundred ninety-two hours, and;**
    - iii. **on the first (1st) workday's absence if the employee is hospitalized, undergoes outpatient surgery, or has accumulated in excess of one hundred ninety-two (192) hours.**
4. Employees may use their accrued paid sick leave for the sickness, safety, and caregiving purposes described below. Paid sick leave may be used as soon as it is accrued, and must be taken in one (1) hour increments.
5. Employees will be paid their regular hourly rate for all hours in which leave is taken. Benefits will be maintained. This regular hourly rate does not include overtime or bonus pay, and paid sick leave is not considered "hours worked" for purposes of determining whether an employee is entitled to overtime in a given workweek.

6. When leave is foreseeable, King Soopers expects employees to make a good faith effort to provide advance notice of their need for leave and to schedule the leave in a manner that does not unduly disrupt King Soopers' operations.
7. King Soopers will allow employees to use their accrued paid sick leave to be absent from work when the employee has a mental or physical illness, injury, or health condition that prevents the employee from working; needs to obtain a medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or needs to obtain preventative medical care. King Soopers will not consider the fear or anxiety of contracting a communicable illness that is a cause of a public health emergency to be a mental or physical illness, injury, or health condition that prevents an employee from working, but will consider accommodations to an employee who has a health condition which would allow the employee to perform alternative work or jobs.
8. King Soopers will also allow employees to use their accrued paid sick leave to be absent from work when the employee needs to care for a Family Member who has a mental or physical illness, injury, or health condition; needs to obtain a medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or needs to obtain preventative medical care.
9. "Family Members" include any person who is related to the employee by blood, marriage, civil union or adoption, as well as a child to whom the employee is standing in loco parentis or a person who stood in loco parentis to the employee, as well as a person for whom the employee is responsible for providing or arranging health or safety related care.
10. If an employee or Family Member is the victim of domestic abuse, sexual assault, or harassment, King Soopers will allow the employee to use accrued paid sick leave for the following "safe" time purposes: seeking medical attention to recover from a mental or physical illness, injury, or health condition caused by the domestic abuse, sexual assault, or harassment; obtaining services from a victim services organization; obtaining mental health or other counseling; seeking relocation due to the domestic abuse, sexual assault, or harassment; or seeking legal services, including preparing for or participating in a civil or criminal proceeding related to or resulting from the domestic abuse, sexual assault, or harassment.
11. For leaves lasting four (4) or more consecutive workdays, King Soopers may request reasonable documentation to establish that the paid sick leave was used for one of the sickness, safety, or caregiving purposes described above.
12. In the event of a Public Health Emergency ("PHE"), as defined in Colorado's Healthy Families and Workplaces Act, C.R.S. 8-13.3-402(9), King Soopers will allow employees to use accrued paid sick leave if a public official orders the closure of the King Soopers location where the employee normally works, or orders the closure of the school or place of care of an employee's child and the employee needs to care for the child.
13. Any time a PHE is declared in Colorado, King Soopers will add sufficient PHE paid sick leave ("PHE PSL") to each Colorado employee's available paid sick leave balance to ensure that the employee may take up to two (2) weeks of PHE PSL during the emergency, if necessary for the covered reasons discussed below. Employees who work 40 hours or more per week will be provided 80 hours of PHE PSL. For employees who normally work fewer than 40 hours in a

workweek, PHE PSL will be provided to cover the average number of hours the employee works in a 14-day period.

14. PHE PSL may only be used during a PHE or during the four weeks after the official termination or suspension of the PHE, and may only be used for the following reasons related to the PHE:
  - a. The employee needs to self-isolate and to engage in self-care because the employee has been diagnosed with, or has symptoms of, a communicable illness that is the cause of the PHE.
  - b. The employee needs to seek or obtain medical diagnosis, care, or treatment because the employee is experiencing symptoms of a communicable illness that is the cause of the PHE.
  - c. The employee needs to seek preventative care concerning a communicable illness that is the cause of the PHE.
  - d. The employee needs to seek care for a Family Member who is engaging in self-isolation, self-care, or seeking diagnosis, care, treatment, or preventative care due to a diagnosis or symptoms of a communicable illness that is the cause of the PHE.
  - e. King Soopers or a local, state, or federal public health official with jurisdiction over the worksite, determines the employee's presence on the job or in the community would jeopardize the health of others because of the employee's exposure to, or symptoms of, a communicable illness that is the cause of the PHE, regardless of whether the employee has been diagnosed as having the communicable illness.
  - f. The employee needs to care for a Family Member when a local, state, or federal public health official, or the Family Member's employer, determines that the Family Member's presence would jeopardize the health of others because of the Family Member's exposure to, or symptoms of, a communicable illness that is the cause of the PHE, regardless of whether the Family Member has been diagnosed as having the communicable illness.
  - g. The employee needs to care for a child or other Family Member when the child care provider is unavailable due to a PHE, or if the child's or Family Member's school or daycare is closed by local, state, or federal public health officials or at the discretion of the school or daycare, due to a PHE. This reason for absence applies even if the school is closed but is providing instruction remotely.
  - h. The employee, even with an accommodation, is unable to work in any job at King Soopers because the employee's own health condition may increase susceptibility to or risk of a communicable illness that is the cause of the PHE.
15. Employees will only be provided the full amount of PHE PSL once during any given PHE, even if the PHE is extended, amended, restated, or prolonged.
16. Sick leave benefits are not convertible to cash. King Soopers will not pay out accrued but unused paid sick leave upon an employee's separation from the company. However, if an employee separates from King Soopers and is rehired within six (6) months after the separation, King

Soopers will reinstate any accrued but unused paid sick leave from the employee's previous employment.

17. Certain leave, such as FMLA and/or FFCRA leave, may run concurrently with paid sick leave.
18. King Soopers will make whole any employee who, under a policy or collective bargaining agreement in place prior to the execution of this Agreement, was scheduled to receive a credit of paid sick leave after the employee's first year of employment. Upon such an employee's first year job anniversary, King Soopers will credit the difference between the number of paid sick leave hours the employee accrued pursuant to the terms of this Agreement and the number of paid sick leave hours the employee was scheduled to receive under the prior policy or agreement.
19. The parties agree that the Colorado Healthy Families and Workplaces Act ("HFWA") allows for federal preemption under the Taft-Hartley Act and ERISA for collective bargaining agreements and trust funds that provide for paid sick leave benefits. Specifically, the HFWA is preempted when employees covered by a collective bargaining agreement enjoy equivalent or more generous paid sick leave benefits as compared to those required by the HFWA. The bargaining parties hereby expressly waive the application of the HFWA's provisions because employees covered by this Agreement enjoy equivalent or more generous paid sick leave benefits as compared to those required by the HFWA.
20. The parties agree that any disputes related to paid sick leave benefits must be resolved according to the grievance and arbitration processes set forth in this Agreement. Any attempt to resolve grievances or disputes related to paid sick leave benefits according to the administrative or judicial remedies set forth in the HFWA will be deferred to the grievance and arbitration processes set forth in this Agreement.
21. The parties agree that any discussions which either party may wish to have regarding changes or additions to the relevant trust fund provisions or other related benefits in this Agreement, in light of the HFWA, will be the subject of bargaining.

The first increase, if needed, will be based on hours worked in the first monthly following ratification. Through the remainder of the Agreement, if any increases are required, they will be based on January hours payable in February.

**On-going Eligibility** – After satisfying initial eligibility requirement provisions and enrollment in the Health Plan, the employee must continue to meet the monthly on-going

Enrolled employees who work eighty (80) hours in a four (4) week month or one hundred (100) hours in a five (5) week month shall be eligible for coverage on a lag month basis. For the purposes of this Article, hours worked shall include hours paid directly by the Company for overtime, holiday, vacation, jury duty, funeral leave and sick pay.

a. Changes in policy, process, or working conditions. The Company will communicate to the Union changes in policy, procedures, and working conditions taken in response to the emergency. The parties recognize that emergencies are dynamic in nature and often decisions are fluid and fast changing. The Company will make its best effort to keep the Union advised of these changes.
