2. **Proposal Modified 12.4.24**

**Article 2. Bargaining Unit Work Jurisdiction**

**Section 2.** All work and services performed in the bargaining unit connected with the handling or selling of merchandise to the public shall be performed exclusively by bargaining unit members except as provided below. Store Managers, Assistant Managers, Field Merchandisers, **and Department Managers** can perform all duties in the store. [Remainder of Section remains unchanged]

3. **Article 4. Check-Off**

Delete the Article in its entirety.

4. **Article 8. Rates of Pay**

[No Change to Article. See Appendix "A" for wage proposal.]

5. **Proposal modified 11.4.24**

**Article 10. Scheduling and Assignment of Hours**

Modify as follows:

**Section 24. Work Schedules and Hours.** Management retains the right to determine the number of hours, and start times of each shift, to be worked within each department and store. Daily scheduled shifts shall not be less than four (4) hours or more than eight (8) hours, at straight-time.

Not later than ten (10) days prior to the start of any workweek, management shall post a list of shifts for each department. Non-management, **full-time** employees shall be allowed to select their schedule from the posted list of shifts for which they are qualified to perform, in seniority order, within their department. ~~Full-time employees shall select first, followed by part-time employees.~~ **Part-time employees will be scheduled based on their seniority and availability, as listed in the electronic scheduler.** No employee shall be allowed to select a schedule that will result in overtime or other penalty provisions, unless expressly authorized by management. The Employee's selection (**or assignment**) shall be recorded on a master work schedule. Employees shall not be permitted to select a portion of a shift. Prior to the start of the selection process, management shall identify approved vacation requests on the schedule.

Management may allow employees of one department to select shifts in another department. In this event, the employee must be qualified as defined herein, to perform the work of the other department. In addition, management reserves the right to assign, at its discretion, employees to, and designate the starting times of, any ordering shift.

Employees must immediately make their shift selections at the time directed by management. If an employee fails to promptly select, management shall select on behalf of the employee based on the employee's last written scheduling preference request. In this event, the employee waives all rights to grieve management's scheduling selection.

Unless otherwise approved, or as the result of a reduction in hours, no full-time employee shall select less than forty (40) hours and no part-time employee **hired prior to January 5, 2025\*** shall ~~select~~ **be scheduled** less than twenty (20) hours per week. **No part-time employee hired on or after January 5, 2025\* shall be scheduled for less than twelve (12) hours in a work week, if the employee is available.**

[\* Note: Dates conforming to each contract's 2025 contract expiration to be applied to each agreement.]

Management may require ~~junior~~ **part-time** employees ~~to select to be scheduled outside of their availability a specific number of shifts so as to facilitate the selection-filling~~ of all shifts from the list. In the event an employee is left with less than minimum hours, but has not been zeroed out, management may pull shifts in reverse seniority order from senior employees to get such employee to minimum hours, or management may elect to zero such employee out and assign any remaining hours in seniority order to senior employees.

The master schedule must be completed and posted by 9:00 AM on Friday prior to the start of the next workweek. Such schedule shall not be changed by management for that workweek except where such change is predicated on circumstances beyond the control of management such as sickness, injury, leaves of absence, vacations, jury duty, funeral leave, significant fluctuations in sales volume, utility failure or Acts of God. Nothing in this section should be construed as preventing management from calling in employees for extra work outside of the posted schedule, from requiring overtime work outside of the posted schedule, or from bringing in additional employees where it appears advisable in the opinion of management. If the schedule is changed pursuant to this section, and hours are reduced, then the master schedule shall be re-bid downward, from the point of the schedule change. If hours are added, such hours shall be assigned as provided in the additional hours section of this Agreement.

[Remainder of Section remains unchanged]

## 6. **Article 10:**

Modify as follows:

### **Section 25: Department Bidding**

Delete Section 25

## 7. **Article 10: Additional Hours**

Modify as follows:

**Section 26. Additional Hours.** The Company would use its best efforts to give employees at least two (2) hours notice if an employee is required to work beyond the end of their scheduled shift. Employees shall not be subject to discipline for failure to remain at work beyond the end of his/her scheduled shift if less than two (2) hours notice is given except in emergency situations.

~~Management shall post a weekly additional hours request list for their store/department. Employees interested in working additional hours must sign and designate the days they are interested in working additional hours on such list by midnight of the Saturday prior to the start of the applicable workweek.~~

~~When additional hours become available, management shall contact, in seniority order, employees who have requested to work on the day/shift indicated on the request list and~~

~~offer them the hours.~~ **Any shifts/hours that remain unfilled or open will be offered electronically via the scheduling system. If qualified to perform the work, associates may electronically request to work the additional shift/hours. Management will approve shifts/hours based on seniority of the associates that apply at straight time and then, may at its discretion choose to assign (based on seniority) shifts/hours to associates that apply and for which the additional shifts/hours may create overtime.** If the hours cannot be assigned to the employees requesting them, **or such requests may cause overtime to be incurred**, management may fill the hours at its discretion, including assigning those hours to employees who work in different Local 7 bargaining units within the same banner.

Prior to assigning hours to employees from outside the bargaining unit employees in the home department/bargaining unit shall have priority ~~in shift selections~~, if qualified. In the event available hours are being filled from outside the bargaining unit, the Company shall honor reasonable requests for training from employees within the bargaining unit who wish to claim such hours.

Nothing in this section shall be construed to require management to assign hours at overtime or to employees who have not made a request to work additional hours.

Bargaining Note: The intent of this provision is not to avoid assigning available hours to current department or bargaining unit employees or to avoid hiring for long term needs. Rather, the intent is to fill unexpected business needs.

~~The parties agree to meet at least every six (6) months to discuss issues which may arise from the implementation of this proposal.~~

## 8. **Article 11: No Reduction in Pay**

Modify as follows:

**Section 31.** The terms of this Agreement are intended to cover only wages and other employee benefits. The Employer may place superior wages and other benefits in effect and may reduce any premiums to the minimum herein prescribed without the consent of the Union. It is clearly understood that any wage increases are made to a specific progression step and/or job classification within **a specific store within** the bargaining unit. Prior to increasing any rate listed herein, the Employer shall first meet with the Union President or designee, to discuss such change. The meeting between the Employer and the Union shall occur at least two (2) weeks prior to the implementation of the wage change. It is expressly understood that an employee's wages will not be reduced as a result of this section.

BARGAINING NOTE: Examples: The Employer could offer a premium for all work performed within a specific six (6) week period, and then terminate the premium at the end of the period. An employer could increase the wage rate for a particular job step from \$17.00 to \$18.00 but could not then lower that wage rate back to \$17.00.

## 9. **Proposal Modified 12.4.24** **Article 12: Overtime**

Modify as follows:

**Section 32.** Overtime compensation at the rate of time and one-half (1-1/2x) the employee's base hourly rate of pay shall be paid under the following conditions:

- a. For **employees hired prior to January 5, 2025,\*** for all time worked in excess of eight **and one-half** (8 1/2) hours in any one (1) day.\*\*
- b. For all time worked in excess of forty (40) hours in any one (1) work week as described above.
- c. For hours worked prior to an employee's scheduled starting time when less than eight (8) hours has elapsed since his last previously scheduled quitting time. (There will be at least eight (8) hours between each employee's scheduled quitting time and his next scheduled starting time.)
- d. For all hours scheduled and worked on the sixth and seventh day in a work week by part-time employees who work less than forty (40) hours in that work week. No employee shall be permitted to claim additional hours or schedules which would provide a six (6) or seven (7) day schedule during a work week.

**[\*Note: Dates conforming to each contract's 2025 contract expiration to be applied to each agreement.]**

[\*\*As part of this proposal, also modify Article 11, Section 24 relating to employees who select 10 hour shifts by modifying the corresponding sentence related to daily overtime: "**For employees hired prior to January 5, 2025,\*** Overtime shall be paid for all work in excess of ten **and one-half** (10 1/2) hours in any scheduled workday."]

#### **10. Proposal Modified 11.4.24** **Minimum Weekly Schedule**

Modify as follows:

**Section 54.** No regular employee **hired prior to January 5, 2025\*** shall be scheduled for less than twenty (20) hours in a work week, if the employee is available. **No regular employee hired on or after January 5, 2025\* shall be scheduled for less than twelve (12) hours in a work week, if the employee is available.**

[\* Note: Dates conforming to each contract's 2025 contract expiration to be applied to each agreement.]

~~Section 55. Any employee may indicate his or her desire to be regularly scheduled fewer than twenty (20) hours in a workweek and management will have the discretion to so schedule the employee. An employee can withdraw consent to be so scheduled under this provision at any time. This provision is not intended to circumvent any scheduling provisions of the Collective Bargaining Agreement.~~

~~Bargaining Note: It is the specific intent of the parties that less than minimum hour employees are not a separate classification and shall be subject to Article 10, Section 24 (Retail) on the same basis as other employees.~~

~~For these workers, which the Employer will specifically identify for purposes of audit review, The Employer will make healthcare contributions for any employee who has at least one (1) year of service and who has worked eight hundred (800) hours during any anniversary year following the employee's first anniversary.~~

~~The amount of contributions, which would be retroactive to the beginning of the year once the eight hundred (800) hour threshold is met, is two hundred dollars (\$200.00) per month. Notwithstanding any contributions, qualifications for benefits remains as set forth under Article 37.~~

### **11. Article 21. Split Shifts – Section 58.**

Modify as follows:

~~There shall be no daily split shifts. There shall be no split shifts unless such shift is requested by the employee. Any employee may indicate his or her desire to work a split shift and management will have discretion to so schedule the employee.~~ A split shift is defined as two work periods separated by more than a normal meal period, but within eight (8) hours. Notwithstanding the above, store meetings which are covered elsewhere in this agreement shall under no circumstances be considered as a split shift.

### **12. Article 27. Section 68. Definition of Full-Time Employee**

Modify as follows:

In the first sentence change four (4) consecutive weeks to sixteen (16) consecutive weeks.

### **13. Article 31. New Store Language**

~~**Section 79.** In the event of the opening of a new store within the bargaining unit (not a replacement of an existing store), the following procedure shall apply:~~

~~At least four (4) weeks prior to the opening of a new store, the Employer will post a sheet in each location for interested employees to sign if desirous of a transfer to the new location. The sheet shall remain posted for at least ten (10) days.~~

~~Job openings either at the new store or created by transferring employees at their former store shall first be filled by employees on layoff in the classification of the vacancy before any new employees are hired or current employees are promoted.~~

~~Employees who have signed the new store transfer request sheet shall be given consideration based on their qualifications and the requirements of the store. It is understood that the Employer may move employees from its own competitive stores which may be impacted by the new store opening before consideration of other employee desires.~~

~~In the event the Employer opens new stores within the geographical area of this Agreement, as set forth in Article 1, not less than sixty percent (60%) of the initial staffing of the new store shall be made by employees covered by this bargaining Agreement, if available.~~

**14. Article 37. Health And Welfare Coverage**

**Section 97. Trust Fund**

Modify the following subsections as indicated (and make any corollary changes to other subsections as necessary to conform to these changes):

Replace current Employer Contributions and Benefit Levels subsection with the following:

**Employer Contributions and Benefit Levels.** The Employer agrees to contribute the following amounts per month for each eligible employee.

**The “up to” rates through 2028 will be determined as follows:**

1. Using the latest financial data available each September (or most recently available data in preparation for the December fund meeting), co-consultants will develop a forecast through 12/31/2028.
2. In preparing the forecast, the below trend rates will be used.
3. If the forecast projects an ending balance at 12/31/2028 that is below the target reserve level (average of 1.0 months of expense for the 12 months ending 12/31/2028, plus IBNR

at 12/31/2028), then the employer contributions will be increased **in accordance with the table above, so that the ending reserve will be equal to the minimum reserve.**

4. In no event will the increase in the employer contribution rate exceed **2.5% in 2025, 2026, and 2027, or 1.5% in 2028.** In no event will the new employer contribution rates be less than the prior year’s employer contribution rate.
5. Co-consultants will work together to develop increases that are as close as possible. In the event co-consultants develop materially different estimates, the lowest increase will be implemented while Trustees resolve the differences between the two estimates of the co-consultants. Any arbitration concerning the differences between the two estimates shall be held not more than sixty (60) days following deadlock.

Agreed upon trend:
